Please check your browser, because you are using likely Internet Explorer 7.0 version, it might cause disfunctions. You can download other browsers from the abstract system log-in page.

How to check my browser?

Open your browser. Click on the help menu (Windows) or Application Preferences (MAC OSX) and check "About ...".

The system does not accept my email address

Please do not use capital letters in your e-mail address

I clicked the "save and preview" button and nothing happens

Please check all submitted data, look for error messages and please correct or fill missing fields.

Examples for frequent messages:

- Please select the presenting author!
- Please check your abstract length! minimum character 1200 ...etc.

I clicked the "save and preview" button, but the system is not saved my abstract

After clicking the (save and preview) button, you can check your abstract's preview.

If you want to modify it, you can select the edit button.

If the preview is ok, click the save button and you're abstract will be submitted.
